**RE: RECOMMENDATION FOR AARON E. KLINFELTER**

**To Whom It May Concern:**

I have known and worked with Aaron the last two years as part of the Residential Community team within Fuller Theological Seminary Housing Department. During this time, he worked as the residential office coordinator and later as the Housing Marketing Coordinator.

Aaron is self-motivated initiator and very disciplined in carrying out his tasks. He is hardworking, trustworthy, visionary leader and an empowering team player. He is an astute web designer, a task that requires a lot of concentration but also takes time to connect with people. He is open and humorous, making his involvement with others a joyful experience.

Aaron is sensitive to diversity, and works well with people from varying cultural and ethnic backgrounds. He offers appropriate leadership while being flexible. Above all, Aaron is a motivator seeking to encourage all to be their best.

I wholeheartedly recommend Aaron with no reservations. He has many gifts that can enrich any team.

Thank you
